

VQG LIBRARY RULES

The following rules were approved at the September 2006 VQG Executive Meeting and updated at the August 2016 VQG Executive Meeting.

1. Members may borrow books only if they are able to show a current membership card or receipt for membership for the current year.
2. Books are available for borrowing at meetings in September through and including May. Books are NOT available for borrowing at the June meeting, or over the summer months, because this is when inventory is taken.
3. Members who have overdue books will have their borrowing privileges suspended until all borrowed items are returned and the fine(s) paid. The fine for overdue books will continue to be \$1.00 per book per month for the first 3 months after a book is due.
4. Books that are not returned after three (3) months are deemed lost. The borrower must pay a fine equal to the purchase price of the book or provide a replacement copy of the same book.
5. Members are limited to borrowing a maximum of four (4) books at a time.

A copy of these rules will be displayed at the Library sign-out area. When members have books out that are due and they are unable to attend a meeting, they are encouraged to contact another member about returning books on their behalf.
